### The Premises:

Small shared flat. She occupied one room and pushed a chest of drawers in front of door to stop her crazy room mate getting in?!

Room small with standard bed, no ambience to speak of.

### The Lady:

As in pics but much more pasty. blotchey skin and looked nervous. She said due to erratic behaviour of friend.

### The Story:

Poor time with so called recommended eastern euro. No passion ( as always!) with E.E. but no issue either. jus get on with it and finish attitude.
