The Premises:

Nice clean place. Near the station, Very crowded area. No one will notice you as everyones busy going thier own ways.

The Lady:

nice skin colour, firm chest and nice bottom. Very good looking lady.

The Story:

Please note: i visted many weeks back and can not recall the exact date or day, sorry.

Met anjali and told her my requests. Most of them were refused on the basis: the house rules do not permit this and we practise sex safely etc.

Was very disappoonited in the refusals but still went ahead with the normal personal service- which was quite good. She was responsive and friendly to speak to. overall a good personal service and anjali is a charm to be with.

Pros: The maid is friendly and was made to feel very welcomed.

Anjali was very nicely dressed in a hot bra/thong set

Nice location and very, very clean in every single room- even the bathroom is shiny as pearls and the towels are plentyfull and freshly washed.

A mirror is in the room (alotough a bigger mirror would help)

Nice touch lamps and music add to the mood (Abit too dark for some maybe, but fine for me)

Cons: No CIM, No anal. No COF. No hardsports. No Reverse Oral. No French kissing, No OWO and No other hard fetishes are on offer.

Overall, a nice punt but the fact that the place does not offer CIM, Cum on face, and strictly NO anal. These 3 declines were a big turn off for me. The price is high (yet reasonable) - even if anal is not on the menu i would still expect cim and cum on face to be offered. I agree with safe sex but I think this place take safe sex tooo seriously- which is a good thing but dismissing cim and cum on face was a very big turn off for me.

The only and only reason i did not return becuase there is no cim or cum on face-other then that its

a good punt
