The Premises:

large safe basement flat in central London

The Lady:

no fewer than 6 amazing ladies available from all corners of the globe...i enjoyed wonderful interludes with a Canadian, French, Brazilian and English selection and all were very energetic and happy

Overseen by Lady Marmalade and she is a very gracious host with food and soft drinks included

The Story:

I was a little apprehensive about 6 girls and up to 12 guys but there were only 8 guys at this party, including a voyeur and after approx 1 minute with 3 girls on a bed i was lost in space heaven....everyone was gorgeous, willing and sexy...as far as i could see if you were nice to a lady she was more nice back and i was sucked, fucked, stroked and guided to more orgasms in 2 hours than in the last month

Special mention to Sabrina and Sarah who , for me, excelled but each of the ladies were totally stunning....you owe it to yourself to try this and i am going back in 2 days for round 2 (or is it 6?)..this is a great venue and a fantasy come true for me....totally recommended 100% fabulous
