### The Premises:

usual standards with a full house of ladies this morning

### The Lady:

first time in a while i have had to decide who to choose.6 available,3 suited me,local young blonde,new eastern european dark haired and american?,slim, blonde and overly busty.

### The Story:

decided against the usual type i go for and went for Brianne.30 yr old Canadian.blonde,slim and very busty.implants i think but they felt so natural.started off some kissing with tongues then she decided she wanted to straddle my face and so be it.plenty dirty talk,clean edible pussy and then onto some 69 after a few minutes.her full on,suckin lickin and thrusting of her pussy in my face ended up in brianne getting a good mouthful of my cum and it was good just to relax and let nature takes it course.a bit massage then more oral from her ,some sex in a few positions then more owo with her trying to make me cum again.these days are over for me now.lol.  
i cannot fault her at all.if you want a real dirty talking,pussy munchin, deep throatspit on yer dick porn re-inaction with probably no holes barred then shes your gal.
