The Story:

I have been to this place several times and have never been disappointed, usually like the mature busty ladies that work here.On arrival had the choice of two ladies the first was Anna a very busty lady in her late 40's whom I was certain would be my choice untill I was introduced to Sophia, not quite as busty but so beautiful I couldn't resist choosing her.

I opted for 30 mins VIP.Onto the bed for a very nice masssage with oil.Sophia gave a nice light sensuous massage paying a lot of attention to my balls and reaching around to stoke my throbbing cock.Then it was time to lay on my back,she took of her top for me to see her pert tits to get my hands on her nipples which soon stood to attention when tweaked,she then removed her panties to reveal a sweet looking shaved pussy.I just had to taste her so she sat astride my face in order for me lick her sweet tasting pussy.She seemed to enjoy this and I attempted to finger her arse which she seemed to enjoy also with me inserting my finger into her arse to play for a few minutes.She then asked if I wanted a 69 so on with condom and beautiful oral both ways and also letting me get a good look at her juicy pussy and arse. I couldn't resist rimming her arsehole and very soon felt I was going to cum so paused the action,she cleaned my mouth with a wipe and we kised a little then she asked me how I wanted her.I chose doogy that way I got to have a good view of her arsehole and play with her boobs and watch myself an the mirror at the end of the bed.Very soon I felt I was going to cum so withdrew and asked to be finished by hand,she removed the condom and applied generous amount of baby oil to my cock and proceeded to stroke my cock and massage my balls bringing me to an almighty climax.She was quite impressed with the amount of cum I produced and I have to say I was too.

She then cleaned me up and followed with a kiss and cuddle, very GFE.

She tells me she works wednesdays and hoped i would be back again, which I certainly will.
