The Premises:

Rachel phoned me back and I said I would be driving with satnav so she gave me her postcode. Followed her clear instructions for easy to find discreet entrance to her flat with on-street parking. Lovely clean flat.

The Lady:

I opened the door to Rachel's who was standing at the top of the stairs dressed in sexy short black dress and stockings beckoning me upstairs.

Rachel is all as her sexy pics show. We chatted over some wine, Rachel is bubbly with a good sense of humour and really easy to talk to which makes you feel this going to be a good fun meeting.

Rachel went to bathroom to get the shower ready and it was hard to take my eyes of her lovely sexy bum tantalisingly being exposed from under her short skirt as she walked across the room mmmmm.

The Story:

I went for a shower in Rachel's nice clean bathroom with various gels and she can recommend one that she likes if you want.

We proceeded to the bedroom where we kissed and cuddled and I slowly undressed Rachel with help ? lol wow Rachel looks even better in the flesh standing naked in front of me.

We climbed onto the bed to continue our fun, lots of kissing and fondling, Rachel has a lovely smooth carressible body that urges you to explore with Rachel pointing out her favourite ?points of interest? ? lol.

Rachel likes to make sure that you both have pleasurable fun which she expertly achieves and has amazing agility.

Afterwards we dressed and Rachel made me a coffee while we chatted before my drive home.

Rachel is a lady that knows something that makes us guys tick and how to gently tease us but only

to increase our pleasure.

Look forward to meeting you again Rachel ? take care xx
