The Premises:

I rang Kat in advance and she gave me directions. Easy to get to, A couple of options for Tube Stations, Algate East and Liverpool Street. Nice clean apartment, no problems there.

The Lady:

Kat is a sexy, tall lady. Long legs, nice sized tits but for me her best part is her sexy bum!

The Story:

Kat met me at the door dressed in a beautiful sexy Turquoise bra and thong. She showed me into the bedroom, got me a drink while I had a shower. When I returned from the shower she was lying on the bed waiting for me.

We got straight down to business and Kat started sucking my cock. I've seen a lot of ladies both in England and Ireland and Kat's oral has to be the best I've ever received. Great technique, lots of spit (which I love) and loads of eye contact!

I turned her around to repay the oral and Kat's lovely trimmed pussy tasted just beautiful. We got down to the main event, Kat on top, a great sight watching her bounce up and down on my cock. Changed over to doggy and looking at her sexy ass while fucking her pussy is a great sight.

I could resist no longer and slowly started to fuck her ass. It wasn't too long before I shot my load. We lay on the bed kissing and cuddling before round two started.

Kat obliged me with a bit of rimming and then a finger in the ass. More fucking and sucking and I was done again! I went over the hour I paid for but Kat never rushed me.

A great girl and a great service with a sexy lady. I couldn't ask for anything more!
