The Premises:

Small terrace house - wondered if obvious to everyone as door opens straight onto street but no one around. Small warm house, neat bedroom with bathroom for shower next door. Water not hot but warm enough to use comfortably.

The Lady:

Nice. A hint of a paler Myleene Klass with an exotic mix, full figure and a lovely cheeky and flirty manner. Hearing Mia giggle and laugh as she did something in the bathroom was a lovely prelude.

Did I say pink highlights in black hair? And did I say brilliant personality? Probably low to mid 20s.

The Story:

Had a great time. We talked a lot, Mia did a very individual front massage (her hands used occasionally and effectively) and it helps to be told my hands could go anywhere. Quite nice also to have your shin used to find out how hot her pussy felt...

Then a brilliant and very prolonged and again individual blowjob.

Then cow, mish and doggy. Mia was fully involved and encouraging and it was just a great session for me.

If you want a real woman, a bright young woman who will engage you in a lot more than trivial chit chat and who will respond to whatever you bring to the table - go elsewhere...I want this one to myself.
