The Premises:

Five minutes walk from Paddington Station, in a safe, clean area. A compact flat, but more than enough space for entertaining!

The Lady:

Abbie is slim, fit, very attractive, and with a super friendly personality. She greeted me with a cold glass of wine and a hot shower.

Warning: the bathroom room is small and the towel rail hot. Be careful not to toast your todger - you'll be needing it later ...

The Story:

I believe that a fun time was had by all. Abbie is energetic and enthusiastic, and very versatile, including a couple of suggestions that I did not take up on this occasion, but may well do in the future ...

Without going into the details, let me simply say that this lady appears to REALLY enjoy her work, and that I haven't had a better hours exercise for a long time. She's got more stamina than the Duracell bunny.

Highly recommended.
