The Premises:

Very clean, bright,safe area. Side street off Edgware 5 mins walk from the tube.The action took place in the living room as that is where the fold out bed/couch is.Bathroom was adequate with a working shower and a clean towel.

The Lady:

5'6 mid 20s slim figure, shoulder length straight gingery hair, small firm natural breasts,web site says 34B and I would agree,small nipples that perked up with some tongue action.EE I think Estonian,excellent English as she has been studying elsewhere in the UK for a few years.

The Story:

Good clear directions from the agency and my clothing request was passed on and worn. Opened the door and shown straight into the lounge.Dressed in the dark blue and black basque from the photos. Started kissing and mutual fondling. I broke off and dealt with the paperwork,she returned from the kitchen with a glass of juice and a towel. When I returned from the shower we continued to kiss standing up, Alex then dropped on her haunches, pulled off my towel and started a BBBJ. She has lovely soft hair and had no objections to me running my hands through it and guiding her head back and forth.Was using one hand on my cock but was OK with me placing her hands on my nipples which she got the drift and started to tweak gently, this had the desired effect I normally finish round 1 with CIM and she had agreed that was OK but Id had a few hard days punting and was drained, so I got her to lay down on the couch and started DATY, she was quite flushed when I started and didnt seem too happy,She has large lips and I was quite enjoying it but asked for a condom as I didnt want to continue it if she wasnt enjoying it. I entered her in doggie and she adjusted her position till I was comfortable.Was surprised that I lasted so long, she was ripping the throw off the couch and got vocal. After she cleaned me up we lay on the couch and chatted, no offer of a cuddle,massage or second round. Asked her to move closer and had a play with her nipples, the old chap started to rise so I asked her for a condom, she stated we didnt have long and asked would I manage a second time. I replied lets see! She started to ride me cowgirl but wasnt very enthusiastic, kept going for a while before I stood upright still inside her, laid her down and increased the speed, we had both built up a good head of steam and were sweating before I shot my bolt and just collapsed. Another shower and I was on my way to the

tube.

Well spoken pleasant girl but I thought there was no erotic spark there. Maybe it was just me or I had caught her at a bad time, she did mention that she hadn't been up long. Certainly worth a try. I would return to see if she had improved with time as she's not been escorting long. Good agency who had asked me to call and let them know how things went.
