The Story:

Had a great dom session with Katlin - my second session with her in less than a month. Opted for a mainly CBT session, which Katlin seemed to enjoy administering as much as I enjoyed receiving. While Katlin is not a specialist in domination, she really got into the encounter. The hour with her just flew - if my wallet could stand it, I'd be there all day!

Katlin was extremely sensual in what she was doing, and comes over as a very warm, sexy lady who is very keen to provide the client with exactly what he wants. Thoroughly recommended.
