The Story:

Dealt with the finances and proceeded upstairs where i availed myself of a shower, lovely clean towels n shower facilities.

Into the bedroom and straight into a bout of snogging. Charlotte then dropped to her knees and started to administer some wonderful owo.

Asked to lay back on the bed so she could do it properly (And i thought she was) Once on the bed let me tell you never in years of punting has CF's cock been so far down a throat. I aint the biggest but damn it just disappeared balls deep Awesome.

Had to use all my efforts to stop blowing my load there n then, damn it was hard work lol.

Broke off for a bout of reverse o on Charlottes lovely tasting fadge Hmmm lovely.

Back up for a little more snogging then onto more OWO/Deep throat.

Held on as long as i could and teased on the edge for quite some time in the end blowing my load into Charlottes willing mouth where she proceeded to dribble the contents over my cock n balls.

Chuffin great.

Plenty of conversation bout all kinds after etc etc.

Never felt rushed though round 2 could have been on the cards though was never offered (But as they say shy boys get nowt)
