The Premises:

Carley has a top floor flat in the Gloucester Docks area, a vibrant regenerated area of the city. Lots of public parking (pay & display). Very safe environment.

The Lady:

5 ft 5, a little on the cuddly side, but that's what I like. 36 DD breasts. Blonde. Bubbly personality, plenty to chat about. Probably mid 40s, but could be younger or older.

The Story:

I had previously met Carley working as a double act with another lady, but this was the first time seeing her by myself. She welcomed me in wearing a figure hugging black mini dress, with all the usual trimmings. She is very into kissing, which I always like. I asked to take a shower before we started and Carley offered to join me, which I agreed to. She then got dressed again so I could have the pleasure of "unwrapping" her once again. We enjoyed all the usual pleasures, and Carley seemed to enjoy it as much as me. During the chat I found out she has a much wider repertoire, for those that like such things. Don't be shy about asking is what she told me. I will be certainly be visiting again when the opportunity arises. Carley operates between 10.00 am and 7 pm only at present though. Out calls ?20 more than in calls.
