The Premises:

This is Lacey's new place near Heathrow, I think, just opened, everything clean and newly decorated. Well furnished house, in perfectly safe, reasonable area. Discreet entrance, Free parking is hard to find but cheap parking on the street.

The Lady:

I'd guess early to mid thirties, English, medium blonde hair, not slim, a lovely curvy body, maybe C cups?, pretty face, down below - naturally blonde, i.e. not bald, no "Brazilian landing strip" just natural.

The Story:

Sasha (also called Natasha) is a very genuine sensual, intelligent girl. She gave me a good back rub and, as I had asked her, an erotic ball tickling and wank. She knew exactly which buttons to push to turn me on. She gives deep passionate kisses, has a great technique for OWO - and includes ball-licking and sucking.

Sex is on the menu too, but somehow we didn't get round to it as during my second bout of deep prolonged sensual OWO I decided that this was just too good to hold back. After cleaning up, we had a "lovers" kiss and cuddle before I had to go. She has only a few taboos and is not a clock-watcher. My, what a lovely girl! I left well satisfied and I will definitely return ASAP
