The Premises:

Easy to find. 2 minute walk from Bayswater Tube. Nice place. Clean and modern apartment building.

The Lady:

Gorgeous. Absolutely stunning looking lady. Amazing eyes and and great body, although I am not really a fan of fake tits they looked good on her.

The Story:

When I first saw Cheryl. I thought, I'd hit the jackpot here, but as the hour went on, I thought this service isn't worth ?200p/h. For one, throughout the whole hour she did not take her lingerie off, wish seemed very strange. I tried to kiss her passionately but she seemed to keep her mouth quite closed.

To be honest I did have two good orgasms. One being a great BJ and the other being a handjob while she rimmed me, which was intense.

The thing is I feel like I was conned. I could have got the same service from bargain basement massage parlour, and even the girls in there will go fully nude. ?200 is a lot of money, and I expected a GFE. I didn't even get to see her pussy, let alone taste it or penetrate her.

I left the place feeling conned and very disappointed. I have a feeling she may have been on her period, as she didn't take her clothes off. But she should not have worked if this was so...
