The Story:

debbie answered the rear door in a lovely black dress with stockings. went upstairs and had a nice kiss and cuddle. she started undressing me bit by bit which got me really horny. she stripped out of her clothing and boy she has a lovely tiny frame which shows off her lovely big tits. she gave lovely uncovered oral and boy is she good. finally entered her lovely tight pussy but found it really hard not to come. asked debbie if i could come over her face which she agreed to. when i felt myself coming pulled out and removed johnny and wanked myself until i shot an enormous load over her face. it surprised me and i think debbie how much spunk i put over her but she didnt seem to mind. really nice lady
