## The Lady:

good looking blonde lady

### The Story:

quite impressed initially as she looked great on meeting. Chatted and sorted the goodies out. Then onto the bed and into the action. She is very sweet and tries very hard to accomodate all the wishes. She soon had me panting for more as her hands and moth did wonders. The time flew bye as we tried most things I could think of. All in all a very sweet meeting indeed with a very nice lady who did her best to please.
