### The Premises:

As previously reported. Discrete rear entrance (don't titter!)

### The Lady:

Blonde early 30s? well-toned slim body, great tits (enhanced I would say). Very chatty and friendly.

### The Story:

Nice proper massage with oil, with Chloe chatting away like an old friend inbetween blowing gently on my arse and balls which was great. Then she climbed on top for body-to-body. Turned me over and thrust her gorgeous tits into my face for me to nibble on. Then onto a covered BJ while I fingered her lovely arse and pussy. I paid ?10 extra for reverse oral, and it was worth it because she has a great-tsating pussy. Chloe had started talking dirty now and I was really ready for action. Chloe laid face down on the massage table with her legs together and told me to straddle her. This was good given the small size of the table and was actually a great position. Nice and tight, even though she was very wet, and gave me the change to finger her arse at the same time.

I was trying to make it last as long as I could as it was so good, but with Chloe alternating between talking dirty and turning her head to snog me, I was soon coming hard.

Great punt. Chloe may not be the youngest WG, but she has a great body, a great attitude, and is a fantastic shag.
