### The Premises:

New location for the establishment, which was previously based in Slough. This is on a main road, but perfectly safe. Inside in clean, tidy and well set up. Maid very friendly.

### The Lady:

Stunning MILF. Gorgeous breasts, slim, leggy, with blonde bobbed hair. Out to give you a great time, and have fun herself.

### The Story:

I saw Lisa a few times in Slough, and she was always dynamite. Usually there are two girls available at Lacey's. But the other one had rung in sick, so Lisa was on her own. So my plans for a full hour's fun had to be curtailed. No problem. Lisa never rushed at all, and seemed to enjoy herself as much as ever. That's the marvellous thing about her - she loves the whole event. There was porn playing on the TV - FFM threesome action - when she came in the room, and Lisa quickly got into the dirty talk about wanting to lick pussy herself! Not sure if she is genuinely bi (I'd love to find out), but it added to the experience. And what an experience! Lisa always has on really high heels and stockings, and she's guaranteed to get you hard very fast.

She's up for everything! And we went through most things, before I shot my load in her mouth - after which she swallowed.

Already planning a return trip soon. She's worth the journey!
