### The Premises:

Sakura lives in an affluent part of London and I therefore felt very safe. The decor of her flat is very tasteful as well as being clean and tidy.

### The Lady:

She is more stunning in person than what could be captured on film.

### The Story:

She invited me into the flat and offered me a drink.

At first I was a bit nervous, but she has the ability to put you at ease.

I then excused myself to take a shower.

When I came out she took my hand and lead me to the bed.

She then gave me very sensual massages, which lead to a very memorable experience. I will definitely return!

On a final note: I didn't sense that I was just a number or that she had the timer running.
