### The Premises:

Ok flat in a good area. A bit busy though...

### The Lady:

As pictured minus the retouching ;-) Not bad at all, quite tall, good legs and good boobs.

### The Story:

Well this was a total waste of my time and money.

She greeted me with a nice kiss and it felt quite good to start with. Not much talking though straight into kissing and touching. On with the rubber for the most pathetic BJ I've ever had - take the J out as there was NOT a job at all, so quick I cannot even recall it.

Then sex with her on top. Did not feel like she wanted to do much - she literary just sat on my stomach not moving at all. Hint - that doesn't do it for most men...

Had to really concentrate to be able to come in doggy after about 15 minutes.

Then NOTHING! No conversation, a bit of cuddling but basically nothing. After some time I actually just left knowing I was not going to be able to follow through a second time after struggling with the first.

Absolutely a waste of time and money - and the way I feel now it may be time to stop punting...

Cheers
