The Premises:

Flat above Pizza place in Courthouse Green. Angel is not part of the parlour rota there, but knows the owner and does her incalls there.

The Lady:

Slim, pretty blonde. Late teens / early twenties. Great body. Small pert tits, fantastic arse and a sweet tasting shaven pussy.

The Story:

After my worst ever punt at Amours last week this was the other extreme as one of my best ever punts.

It's a slightly strange set-up in that you phone to arrange an appointment and then meet her at a parlour and use one of their rooms!

I arrived outside a couple of minutes early and Angel arrived right on time. It was actually quite nice to see her arrive in her street clothes of jeans and a top, and think wow she looks hot and know that you would see her naked in a few minutes.

Angel is friendly and chatty, has a fantastic body and seems to enjoy what she does. Nice back massage, kissing, oral without, reverse oral, 69, bit of anal play (no anal), covered sex in various positions and finished off wanking off onto her arse. No clock watching. Perfect!

Angel has restored my faith in punting in Coventry.
