The Premises:

As per previous report, the place is well furnished and clean. Unfortunately the DVD player stopped working so there was no DVD playing while I had the service. I'm sure that will be fixed next time.

The Lady:

I was attracted by Chelsea's pictures on the web-site. The other girl was Sammy. Her pictures weren't on the site but I liked her a lot. Chelsea is 40 years old and slim. She has proportionate size breasts but they are not as large as they appear on the web site. A word of caution. The girls seem to have been air-brushed on the site. Take for example the superb Lisa. She is the same Lisa that works for kisses massage in High Wycombe but the latter site is more accurate in its representation.

The Story:

I stayed with Chelsea even though I was disappointed that she is not as beautiful nor as young as the pictures make out. Her service was excellent. I went for OWO completion in the mouth. The massage was good and got me in the mood. She likes to be played with so nipple sucking and fingering her wet pussy followed. She loves her job and settled in to the OWO. She put herself between my legs so I could see her work. She got a bit rough at one point but calmed down when I winced. Her finger explored my arse and when I came she took all of it. Swallowing was offered but once its gone I don't care what happens to it. I'd rather save the extra ?10.
