The Premises:

Smallish room and small shower in very nice area. Very clean and tidy.

The Lady:

Very attractive lady in very much 'girl next door' type of way. Proper shape with curves in all the right places lovely tits with large dark nipples and mostly shaven pussy. Really nice genuine girl who spoke perfect english and made intelligent conversation. Photos are a little retouched but this was no problem.

The Story:

Basically great sex. Lots of DFK leading to great prolonged OWO and then I went down on Saskia. She has quite a sensitive clit and likes you to take it real steady. Also really sexual girl with very sensitive nipples and she thanked me at the end for the orgasm I gave her from prolonged nipple attention and gentle clit rubbing. Great eager sex then a little rest before repeating all over again giving me vigorous OWO for at least 15 mins until I shot a load down her throat. After a little while this wonderful sexy girl had me rigid again and we finished off with some very enthusiastic banging before I climaxed for a third time. A really good no strings GFE experience.
