The Premises:

Well well well!! Looks as if Kellys has finally gone up-market!! Gone is the dark dismal terraced house on the Cricklade Rd to a much more modern and up to date house on Crombey St. Entrance to the house leads you straight into a very spacious front room. Upstairs freshly decorated, far better than the previous B+B basic looking rooms. Parking is a slight issue here although there is a car park within a 5 minute walk - Make sure you have some small change to avoid any inconvenience....as I discovered!!!

The Lady:

At last!!!! A girl who doesn't lie about her credentials. My last visit to Kellys turned out to be a complete faux-pas when on arrival the "Lyndsay Dawn Mc'kenzie size 10-12 lookalike" actually turned out to be 16+ with a very arrogant approach. (no, fellow readers, I did not stay). Holly however turned out to be exactly as promised on the phone, mid thirties and a sexy,curvy and very very busty brunette. Underneath her white robe Holly looked very burlesque wearing a black bodice with pink ribbons, stockings, and a very saucy smile.

The Story:

Holly is a very lovely friendly cockney girl and offers a very warm unhurried service. If you like your ladies to have boobs then this is the girl to see. There is a very reasonable price list on the wall so there are no worries of being over charged (as recently discovered when I was thinking with my dick!!!) Definitely worth every pound! I wont go into graphic detail of what went on in the room, but I will say that I left a very happy man that day. I do hope that Holly is there on my next visit to Swindon.....
