The Premises:

Arranged to meet at my hotel- rang through hotel room number to confirm I was who I said I was, checked my name against my ID and then made a confirmation call to her security.

She arrived in casual clothes (although she did ask if I wanted her to wear something specific) and was very discreet

The Lady:

sweet and petite- its a horrible cliché but the photos do not do her justice

The Story:

I am not going to write War & Peace, neither will I resort to all the usual comments. Anika is warm, funny, and most definitely an individual: it was an honour to spend time with her.
