The Story:

Had been interested in seeing Angie for quite a while but she has only limited availability as she spends most of her time in spain.

Angie is older than stated on the site, she is actually 42, but that suits me fine.

She is a stunning looking woman with a wonderful body with legs that go on forever. Angie has a bubbly personality and puts you at ease immediately.

As for the events that took place well everything is on offer if you want it, did her up the arse and came in her mouth a couple of times, she swallowed the lot a true pro.

At ?300 its more than I would normally pay but its london prices so to be expected.

All in all a fucking wonderful experience that I will repeat at some stage, a lovely lady who is fucking great in the sack a proper PSE.

If you get the chance visit her I promise you wont forget it.
