The Premises:

Portered Block less than 5 mins walk from tube. Bright clean flat - I think she had a roommate as i heard someone, but never saw anyone else.

The Lady:

As per pics on the website, Cheryl is an amazing beauty. In fact, she's much better in person. Great tits, nice arse and trim figure. Plus a beautiful face and great smile.

The Story:

Cheryl really made me feel at home - real gfe. After some kissing and fondling she undressed me and proceeded to drop to her knees for some oral servicing. This proceeded to some more oral on the bed and some light rimming, after which she used her finger for some anal play which I hadn't expected but was interesting. The real highlight was to come and after multiple positions was completely spent. Again the buildup was such that i didn't make it to round two - very disappointing but eager to come see her again - real quality lass.
