The Premises:

Nice modern flat.

The Lady:

Wow.

I had assumed from her web site that she was something rather special and in person she certainly is.

A delightful combination of interesting personality, good looks, superb body and sensuality.

The Story:

She immediately put me at my ease, even though at first sight of her, my cock had got harder than it has been for a very long time - it must be psychic and realised what a sexy time was ahead!

We had a brief chat before the minx led me to her bed...

Her body is wonderful.

Altogether a very sexy and sensual time. She is very classy and IMHO her expertise is even better vfm than my regular K.shop!

Certainly a session to remember.

I only wish Bedford wasn't such a long way for me to walk.
