The Premises:

I visited Lucy at her house, she apologised for the mess as she had only recently moved in. If she had not mentioned it I would not have noticed as it all look clean and tidy to me. Standard housing estate, easy parking outside. No issues with safety.

The Lady:

Lucy is approx 20 years old, 5'6", dress size 10, approx 34A, petite and pert but lovely. Blonde hair, beautiful blue eyes. Nice and shapely.

The Story:

I had been looking forward to seeing Lucy after "meeting" her in PNet chat room. Finally the opportunity presented itself to be vaguely in the area so I jumped at the chance to go and see her. Lucy is fairly new to escorting and has a shyness about her which I found rather endearing, not that she is she in the least in the bedroom area but just in her personality. I thought it was quite cute. We chatted, got to know each other and put each other at ease. Then kissing, cuddling, strip, owo, ro, and sex in several positions.

Lucy has lovely baby blue eyes and she gives plenty of eye contact all the way through the appointment, which I really enjoy. She has a lovely warm personality and is easy to chat to. I believe she does everything possible to help you enjoy your time with her and this is made so much easier as she appears to enjoy what she does.

I really enjoyed my time with Lucy, I got the feeling that time was not an issue but I had a long drive to get home so made the move to leave but I could quite happily have stayed for longer. But a long drive was made so much easier with a big smile on my face.

I had a great time and would happily recommend her to fellow punters.
