The Story:

When I arrived all the ladies were busy so I went for a shower and sauna. Charlie was soon ready for me and I went into the large clean room with massage table and leather sofa in, there was soft music playing along with adult movies. Charlie gave a very relaxing and good all over massage. We then swapped over for reverse massage which she seemed to enjoy as my hands went all over her silky body.

Then it was on with the mack and some fantastic deep throat oral from Charlie as she positioned herself so that her sexy body could be viewed in the mirrors.

Then it was on to the leather sofa for the main event, we started in the missionary position with Charlie putting her legs on my shoulders and taking it deep, then on to some enthusiastic cowgirl. After a while we got up and Charlie bent over the massage couch for some fast and furious action from behind with plenty of eye contact in the mirrors. To finish off it was back onto the massage couch for a glorious oily hand job over her lovely breast. At no time did I feel rushed and Charlie really seemed to enjoy her time with me as much as I did. Thanks for a great time Charlie x
