The Premises:

My 2nd visit to the NG house. I had actually booked to see Tiffany but was phoned on my way there to let me know that she was not well. Fortunately I completed my journey!

The Lady:

Hazel has a pretty face with sexy, mischievous eyes and a nice, slim body.

The Story:

Hazel was in the reception area when I arrived and she was very friendly and helpful whilst the receptionist was on the phone in telling me who was available. I remembered all the +ve FRs on her (thanks guys) and quickly decided that I didn't need to look further.

Hazel's friendliness continued in her room. She is a great kisser and was attentive for the whole hour from little things like welcoming me out of the shower with a towel to checking that I was enjoyed myself. No doubts about that! This lady certainly knows what to do with a cock in her mouth. After over 1/2hr of this pleasure I returned the compliment and then with the end of the hour approaching, I was fitted with a condom and we finished by fucking in a few positions.

Hazel is great company in all senses and I certainly plan to see her again! Another gold star for the NG House.
