The Premises:

Rather creaky building with very noisy neighbours but was in a nice and safe area, apartment and toilet were clean.

The Lady:

The photos were accurate. Really gorgeous, blonde, beautiful smile.

The Story:

Very friendly, chatted a bit and got down to enjoying her tongue working on my body, good use of lube to assist an all round massage of my privates and around my arsehole. Really intense BBBJ - I almost CIM but told her to stop. Which took a bit of doing as she was so keen on getting me to come.

On with the cap and off with her panties - she didn't take off the rest of her underwear (stockings, garters, bra) as indicated in FR 81346, finished in doggie and then followed by a nice, firm massage. Lovely lady though she seems fairly insistent on doing things her way; good for punters who would like to be led.
