The Premises:

Same as it ever was - no modern re-furbishments but clean, and discreet. Call me old fashioned - but it suits me. My appointment honoured bang on time.

The Lady:

Planned to see Alexia for some time having seen her pics on the website and she was better than I had hoped for. A really pretty blonde young lady im her mid 20's - proper girl friend material. Lovely slim figure with nicely enhanced breasts. Very friendly Lancashire lass with a good attitude.

The Story:

A really enjoyable no rush session starting with a nice massage with her lovely tits all over me and a great covered blow job. (OWO & CIM extra which I might try next time). No other extras offered but that's fine by me. Then great sex in all positions she suggested until she almost wore me out. Loved her on top and watching her going for it in the mirrors - what a turn on! She was happy to chat for a while afterwards and we got on well - I like this girl and look forward to seeing her again.
