The Premises:

Debbie's is well known and, as ever, felt very comfortable and safe visiting.

The Lady:

Tall and with an excellent figure... you can never be quite sure what to expect when you've only seen a blurred website picture, but you are unlikely to be disappointed by Nina. She came in dressed in black underwear and stockings - and the stockings went back on after our shower.

The Story:

Nina says she doesn't read her own field reports because it is "too embarrassing" to read the details of exactly what she has done. So I won't embarrass her by doing that. But I will say she is great fun and a good laugh, she's very relaxed and easy-going, and above all, she is extraordinarily sexy. I phoned up on spec after flying home to south London and, by a stroke of luck, was in the room with her half an hour later.

Let's just say she was up for anything - and was in no hurry to get me out. In fact, as she didn't seem to have another client waiting, I felt I was the one who had to make a move as I had to be somewhere else shortly after. A lovely woman, and highly recommended.
