The Premises:

Pleasant flat, entrance hall and stairs undergoing redecoration and quite shabby but this should clearly improve. Inside flat was nice and clean with large bed sitting room. Good sized shower. Felt completely safe.

The Lady:

Striking dark red henna hair with beautiful blue eyes and a real elfin smile. Perfect English and really chatty with sexy sing song voice. Great slim body with fantastic ass and fully shaved pussy. Vicka looks just like her pics.

The Story:

Great kisser with plenty of DFK and groping/cuddling. Vicka makes great eye contact and always has a wicked smile. Superb OWO licking and sucking the entire length of my cock with her tongue and lips before trying to deepthroat my member in one go. Vicka could not quite make it but did she give in? - No way! she swallowed and slowly pushed her mouth right down until I could feel my cock down her throat and her lips around the base as she tongued my balls. This oral was prolonged and very stimulating. Just when I thought I'd shoot everywhere I moved round to return the favour and licked and sucked the sweetest pussy for a good 15mins or more while Vicka writhed and moaned and tugged at her nips. When she came it was in waves of pleasure for both of us. Straight on with the condom and I rode her hard in mish until she came again and I could not hold back any longer. After a good break and some Champagne we started over and my cock could not wait to spring to attention. More great oral both ways ensued followed by a fantastic fuck in doggy with Vicka moaning and furiously rubbing her clit as we came together in a great finish.
