The Premises:

Very well decorated clean and friendly parlour in the centre of dewsbury. The place looks like a social club rether the ususal parlour. The costumer care is top class and during my visit I enjoyed cup of coffee and Chelsea chattering Man U title dream before punt and a glass of orange juice after punt, thanks to the management.

The Lady:

Late 20 brunete prety face with all the curves in the right place. Very friendly and easygoing girl. above all, very sexy.

The Story:

Absolutly fantastic punt. I decided to visit the place with nobody in my mind and once inside was captivated by the atmosphere. two girls working all stunner. I choosed to wait for Lexi on recommendation of a fellow punter I met there. Im glad I did.

After the shower Lexi came to join me and what followed is a mix of sex and passion. I had my nipples and balls sucked like never before. Sex and O (with)was mindblowing. Its very rare to experience this standard of punt in west yorkshire. I know Lexi has alot of regulars but why theres no reports about her on here? Well I think they want to keep her for themselves. I will be back.
