The Lady:

Aaricia is a slim petite, stunning Oriental girl. She is far better than the photos on the website suggest.

The Story:

She opened the door dressed in fetish clothing which was very sexy and she offered me a drink before leading me to the bedroom where the fun began. Her bbbj was excellent, lots of ball licking, deepthroat, and tounge action, and she also fingered my arse while doing this which felt great.

I told her I wanted her to dominate me after this and she pushed this really far. She made me suck her toes before bending me over and whipping me, she did this quite hard and my arse felt very sore afterwards. She then took out a vibrator and stuck it up my arse. This is the first time someone has done this to me and it hurt a lot, but she was in control of me and talking strictly to me as she was doing it.

I was begging her for sex now and she told me to shutup and she would let me have her when she is ready. She pulled my hair, spat in my face and called me pathetic and then she told me I had to lick her pussy and make her soaking wet before I could go inside her. I did this for a good few minutes before finally I fucked her in several positions finishing in doggy to completion.

Aaricia is a very open minded and sexy girl and I can't wait to see her again.
