The Premises:

As usual friendly reception. parking was difficult this time, wish the ladies would park elsewhere and leave the "Customer Parking" for customers!

The Lady:

Short, attractive blonde in her 30's Large natural breasts, shaven haven.

The Story:

Poted for the half hour massage with HR included and with a voucher on the website that came to ?20 which is fantastic value.

Kim chatted whilst she gently massaged my back, she asked if I wanted any of the extras and opted for a shared shower.

The shower was great, a shared experience and Kim gave me the HR in the shower as it seemed appropriate.

My only slight moan, I didn't have the exact cash for the extra, Kim said "I haven't got any change" , I just don't like it when a lady tries to get a tip that way, if the change had been given without me having to ask she would have probably got it as a tip. Sorry Kim that's just me but overall a lovely half hour break with a great lady. Thanks Kim
