The Lady:

Sasha is a beautiful leggy brunette with long hair, come -to-bed eyes, gorgeous lips, lovely silky skin, wonderful breasts, all on a body to die for!

The Story:

Having already seen her fantastic photo galleries, when I was greeted at the door, with a lovely kiss, I thought WOW! Yes, I have made the right choice! She looked so stunningly sexy in the clothes she had on.

After some chit-chat, she showed me into the bedroom and asked me to undress and lay on the bed. Then followed the most sensuous back massage, the type you only dream about, and included a lot of tantalising around certain areas of my anatomy.

I then asked if I could pleasure her orally. She layed on her back and we kissed (and how we kissed!) for a while, before I spent time on her magnificent breasts. I then moved lower and stroked, kissed and licked her lovely tasting pussy- her noises surely meant I was hitting the right spot.

She then stroked me, for a while, before putting on a condom and going down on me. She sucked, licked and taking the full length, I thought I was in heaven, it was so mind blowing.

Later, I asked what was her favourite position; she said from behind, so I was more than happy to oblige.

Sasha is a most accomplished lover and I can honestly say that I have never experienced anything like it, she is fantastic!

I will DEFINITELY be calling on you again Sash, very soon!!!

Tu eres muy caliente Sash!

Con amor, Phil xxxxxx
