The Premises:

We met in west end hotel, large and very discreet. The room was a bit on the small side but well chosen in terms of comfort and cleanliness.

The Lady:

Mid thirties, very good looking, beautiful eyes and sexy sensual mouth, about size twelve, large responsive breast and great skin.

The Story:

Booked to see Linzi, on her London tour, on the strength of her FRs over the last year in MK. I agree with previous reports, she is warm, friendly and funny. After a quick chat and exchange of money (she thought I had given her too much and gave it back to me to count again) it was down to business. ?do you want one of my legendary blow jobs? and ?come on in front of the mirror?. This pretty much set the tone for the rest of the hour that went all too soon. Her BJ was indeed very good and licking her was well received too. We fucked for while and then ended up with snowball, well why not I thought. My only complaint is that I should have booked for longer, in my opinion Linzi?s company should not be rushed, particularly if you are an old git like me. On reflection London to MK isn?t that far and trip might be on the cards.
