The Story:

Opted for the 1 hour soap suds massage and had a real treat. Donna was so easy to talk too and we had real jokey chat all the way through. I recommend the soap suds massage. Followed that with reverse Oral on Donna, who got extremely wet. She then completed the time with HR and I shot my load onto my shoulder!

Donna apologised for laughing at my cum shot, saying she wasn't being professional, but she was exactly what I wanted. Sex should be fun and it was great fun with Donna. I look forward to my next visit and I shall be asking for Donna.
