### The Premises:

I met Julie at her in call house. Very clean and tidy not like any palour I have been to. Nice quite area and plenty of parking either away from her home or down the side street.

### The Lady:

Very nicely dressed in a figure hugging short black little number. Just short enough as she walked up the stairs to see the stocking tops.

### The Story:

I had read a few reports about Julie from both Punternet and else were. After the first call to Julie which I found helpfull and easy to follow instructions to her house. I arived on time and was taken aback by how sexy and how down to earth this woman really is. All I can say is you would want her as your wife. Tall, blonde, sexy and great in the bedroom. We had a drink to start off with then after the paper work was out the way, we got down to some french kissing which I love and Julie seemed to as well. Lots of cuddles and then off with the clothes.

I had OWO, plenty of oral to Julie which she enjoyed as she moaned loudly and became very wet. Then on with the hat and finished off with a bit of doggy and Julie got on top for the CUM inside bit.

We chatted for a while all the time Julie was making me feel well come. Not like a palour when you out on your ear so quick. Thats why since finding a few nice ladies from Punternet I use this site all the time. Julie mentioned that all though she never talks about who visits her, she had had to ask a gentleman to leave as he had turned up and was not the best for smell. BO etc. And down there.

I can not understand these guys as I myself would never turn up and expect a lady to see me with out first having a shower. His loss as Julie is a first class lady and if you take this imfo and use it this will be one of the best PUNTS you will find by far..!!
