The Story:

Katie came in room and started the massage we were soon having a good chat and bit Of banter,she has a bubbly personality and is very mature for her age.The massage was good she turned me over and started playing with my cock,she mantained eye contact the whole time which is very sexy.She put rubber on and started a nice slow blowjob,this was very good and seeing this sexy young girl wiyh my cock in her mouth was driving me mad!she got up and while looking right at me started rubbing her pussy ready for sex.She ran her tits over my cck then held my dick why she rubbed it on her clit,this felt great and we were both moaning.Then she got on and rode me slowly building up a rhtym,then she lent towards me and whispered sexy things this was too much and i filled the condom with spunk.The whole time eye contact was kept which most blokes love.We had a nice chat afterwards and there was no rush for me to go.Katie is a very nice girl who is young and very sexy and very good at her job.Highly recommended.Thanks Katie.
