### The Premises:

Never been to Hayleys at Burnage before, very nondescript from the outside, been to the chip shop next door, never realised it was next to a parlour! Very plush inside, but a bit of a mickey mouse shower in the room. One puff of wind.....

### The Lady:

Fit, young, slim blonde, could have taken her home for the looks alone.

### The Story:

Quite chatty, we hit it off straight away despite the massive generation gap- i`m a teenager at heart! If you see Jamie you must do it doggie, she has a perfect little rounded bum to bang up against, and those lovely come to bed eyes lookin at you in the mirror on the wall. No acting here, she loves sex. And just about the best GFE and snogger in Manchester. Only problem was that i had been shagging my way round half of Manchester this weekend and jamie was last on the wish list. The tanks were empty of fluid! Promise i`ll come next time Jamie.
