### The Premises:

Went to her private flat located very near Bristol Temple Meads train station. If you are driving there's plenty of free parking available just outside her flat.

Flat itself was immaculate. Smelt great. Finding the flat is impossible without having Paris guide you through the maze if its your first time but she gave extremely easy to follow directions.

### The Lady:

She's what she looks like on her photos from her website and more! Extremely attractive lady and she was dressed immaculately.

### The Story:

Paris was my first "indie" that I have had the pleasure of visiting. She was most definitely a change from the parlours and houses that I have visited.

She begins with an extremely stimulating lapdance/strip tease and encourages alot of touching. Moving on from that, she provides an extremely stimulating experience with OWO, 69, etc etc ...

I shan't go into details but sufficed to say, although I wasn't able to "perform," i thoroughly enjoyed my time with Paris. Shes a genuine lady that enjoys meeting new people and her regulars of course, and having a whale of a time with them!
