### The Story:

Have seen Paris before and yiu get value for money. She is fanntastic. There is no other way to describe her. Started with sexy dance in front of me and then proceeded to great oral without. Used plenty of toys before finally getting on board the old man.

Wow what a shag. Have tried her jacuzzi at different location which is also fantastic. Am planning another visit with her friend for a threesome. Can there be anybody better? I doubt it.
