The Premises:

The usual flat-conversion, in an old town house on the corner of a leafy square. Missed her flat going up the stairs as her door number was hidden behind an alcove.

The Lady:

Absolutely stunning young Polish blond. Very pretty face, nicely made up. Her legs are to die for,

The Story:

I was ushered in and offered a drink. She stood in front of me and did a slow strip, assisted by my good self. My hands and tongue got acquainted with her mouth and other tempting body parts. She helped me out of my clothes and then reclined on the bed. I gave her oral until I was hard, she put a condom on me and I took her in doggy and then mish. Worn out and sweating from all this activity I then lay on the bed enjoying the view as she brought me off in her mouth, She wanted to chat afterwards and we talked about this and that. Still knackered despite the chat, I staggered out and had a pick me up in an Australian pub around the corner.
