The Premises:

Small friendly parlour on a main street in Crewe, could do with investment in a new bed, but i expect its been shagged into submission.

The Lady:

Long slim legs, absolutely perfect small and rounded bum, slim body, pert pair of c cup boobs and a lovely gorgeous smiling face, long brown hair.

The Story:

If there was an England shagging team, Astrid would be captain. This girl loves cock. Harder, faster and deeper the better. I have sampled the best that Manchester has to offer, Sandy`s, NG, etc and Astrid is right up there with the best. She remembered me from our last shagfest a few months ago, gave a good long snog to get me going, a brief bout of owo,some reverse oral from me, and not wanting to waste time (as she was only free for half an hour)straight down to the main event. Much pleasure for both parties. She goes like a train-quite appropriate really for Crewe. Will book earlier next time and do a full hour, eat my weetabix first.
