The Premises:

Apartment block along busy road but anonymous enough. Room and bathroom were clean and pleasantly spartan. Sharing the flat with fellow Czech working girl, Sabrina.

The Lady:

Tall, blonde, slim like in the photos, nice pert bum too and visible upper abs. She'll be definitely too thin for men who like their women voluptuous though I was fine with that.

The Story:

Other than being very happy with her in terms of looks, it all started going downhill when she said no DFK, no OWO and no standing during sex either! Rogered her long and hard in mish and doggie before leaving.

Overall, hardly the worst experience I've had but still a very below-average punt and definitely not value for money. She's leaving at the end of the month but I won't be repeating and can't recommend her to others.
